PARK DEDICATION

Land Dedication Minimum Area - Subdividers shall be required to dedicate to the City for parks, playgrounds, trails, open spaces and other public purposes as a minimum that percentage of gross land area, or other such amount as may be determined by the City Council, as set forth below:

(1) Residential/Agricultural/Multiple Residential Zoned Land.

Dedication requirement of 8% of the land being platted or subdivided.

(Exclusive of lot that includes an existing residence.)

(2) Commercial/Industrial Zoned Land.

Dedicated requirement of 8% of the land being platted or subdivided.

Cash Contribution in Lieu of Lands. In those instances where a cash contribution is to be made by the subdivider, in lieu of a conveyance or dedication of land, the cash contribution to be contributed shall be that would otherwise have been conveyed or dedicated. The City shall account for such funds inequivalent to the fair market value of the equivalent undeveloped land a special fund named Park Dedication Funds.

The City Council has established by resolution a minimum residential park fee of \$3,250 per dwelling unit and a maximum of \$5,550 per dwelling unit. Res. 4738 (12-10-01)

The City Council has established by resolution a minimum commercial/industrial park fee of \$8,125 per acre and a maximum of \$13,875 per acre. Res. 4739 (12-10-01)

STORMWATER AND DRAINAGE TRUNK FEES

Storm water trunk fees apply to new development and redevelopment of existing properties and provide funding for the storm water infrastructure necessary to serve the City. The trunk fee is based on the land use and acreage of the property being developed. An equivalency factor multiplier is assigned to each land use type, with a 2-acre residential lot considered as the standard in the City with an equivalency factor of 1.0. The table below lists the storm water trunk fees per acre for the various zoning districts and land uses in the City.

NEW DEVELOPMENT LAND USE	Trunk Fee per Acre
Single Family Residential 5 Acre Zone (maximum fee/lot = \$16,150.00)	\$3,230.00

<u>Application</u>	<u>Adjusted Fee</u>	<u>Escrow</u>	<u>Notes</u>
Single Family Residential 2 Acre Zone (maximum fee/lot = \$8,060.00)			\$4,030.00
Single Family Residential 1 Acre Zone (maximum fee/lot = \$5,250.00)			\$5,250.00
Single Family Residential 1/2 Acre Zone (maximum fee/lot = \$3,025.00)			\$6,050.00
Multi Family Residential 4 Units/Acre or Less			\$7,275.00
Multi Family Residential Greater than 4 Units/Acre			\$8,490.00
Commercial or Industrial			\$9,690.00
<p>1. Trunk fee charged on per lot basis. For the 5-acre, 2-acre, 1-acre and 1/2-acre zoning districts, the trunk fee shall be charged on a per-lot basis. Only acreage platted as building lots shall be charged the trunk fee. Acreage platted as road-rights-of-way or out lots for other purposes shall not be charged the trunk fee. The dollar amount calculated by multiplying (a) the number of new lots by (b) the zoning district base acreage per lot by (c) the base trunk fee per lot established in the City Fee Schedule, shall be deemed the Base Development Trunk Fee.</p> <p>2. Maximum fee. For the five-acre zoning district, any lot exceeding 5.0 gross acres, including wetland, shall be charged a maximum trunk fee equal to the trunk fee for a 5.0 acre parcel.</p> <p>3. Maximum fee. For the two-acre zoning districts, any lot exceeding 2.0 gross acres, including wetland, shall be charged a maximum trunk fee equal to the trunk fee for a 2.0 acre parcel.</p> <p>4. Fee Credits. For the two-acre and five-acre zoning districts, a combined reduction of up to 50% of the Base Development Trunk Fee shall be allowed for the percentage of the total development property acreage in one or more of the following categories:</p> <ul style="list-style-type: none"> - acreage of newly-created wetland. - acreage of stormwater ponding or similar - acreage of conservation easements resulting from <p>5. Maximum fee. For the one-acre zoning districts, any lot exceeding 1.0 gross acres, including wetland, shall be charged a maximum trunk fee equal to the trunk fee for a 1.0 acre parcel.</p> <p>6. Maximum fee. For the 1/2-acre zoning districts, any lot exceeding 0.5 gross acres, including wetland, shall be charged a maximum trunk fee equal to the trunk fee for a 0.5 acre parcel.</p> <p>7. Multi-family and High-Density Single Family Developments. Trunk fee shall be charged on a per-acre basis, except that the following acreages will not be subject to the trunk fee:</p> <ul style="list-style-type: none"> - all wetland acreage up to the delineation line - acreage of stormwater ponding or similar improvements that provide additional treatment benefits beyond what is required to treat the stormwater runoff from the development site. - acreage of conservation easements resulting from Conservation Design process

Exhibit C Utility Rates and Fees

ALL SANITARY SEWER AND MUNICIPAL WATER CONNECTION CHARGES

Connection fees have been determined as a way to provide a fair and equitable recovery of the costs associated with providing water and wastewater utility services to new customers to avoid placing these costs on existing customers. The connection fee includes those portions of existing assets that will benefit new customers together with any anticipated future capital improvements constructed for the purpose of providing utility services to new customers. The connection charge applies to those properties not previously assessed for the associated utility project.
